## INDEPENDENT AUDITOR'S REPORT

### To the Members of Avana Electrosystems Private Limited

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Avana Electrosystems Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss, and the Statement of Cash Flows for the year then ended on that date and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the [information included in the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Management's and Board of Director's Responsibility and Those charged with Governance for Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 read with notification No.464 (E) dated 5<sup>th</sup> June, 2015 along with amended notification dated 13<sup>th</sup> June, 2017 issued by MCA, the company is exempted from reporting requirement of expressing opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we enclose in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable

**Note No. 1**

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION:**

**ACCOUNTING POLICIES:**

**Background:**

Avana Electrosystems Private Limited ('the Company') was incorporated on 16th July 2010. The company is engaged in the business of manufacturing and dealers in various types of electronic products, switchgear products, circuit breakers, relay, control and protection panels, electric distribution boards, electronic meters, transformers, raw materials, assemblies, spares, accessories, consumables, disposables, tools, test equipments, measuring equipments, telecommunication products, satellite products, information technology products, substation, automation products, SCADA, energy saving equipments, battery charges, current transformers, power transformers, etc.

**A. Basis for preparation:**

**1. Accounting Convention:**

The Financial Statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises of mandatory Accounting Standards as specified under Sec. 133 of the Companies Act 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**2. Use of Estimates:**

The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the year, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Actual results could differ from these estimates, difference between the actual results and estimates are recognised in the year in which the results are known / materialised.

**B. Significant Accounting Policies:**

**1. Revenue Recognition:**

Revenue is generally recognized when all significant contractual obligations have been satisfied and collection of the resulting receivable is reasonably assured. Revenue from Sale of products is recognized when the risks and rewards of ownership are passed on to the customers, generally, at the time of delivery and acceptance and after consideration of all the terms and conditions of the customer contract.

The Company reports revenues net of taxes.

Interest is recognized using the time-proportion method, based on rates implicit in the transaction.

**2. Expenditure:**

Expenses are accounted for on an accrual basis and provision is made for all known losses and liabilities. Expenses incurred on and directly attributable to the company's manufacturing activities are charged to revenue as 'period costs'.

**3. Cash Flow Statement:**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

**4. Provisions and contingent liabilities:**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made

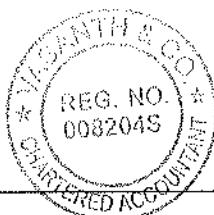

**5. Property Plant and Equipment:**

Property Plant and Equipment are stated at cost less depreciation. The Company capitalizes all cost relating to the acquisition and installation of fixed assets.

The company has adopted Schedule II to the Companies Act, 2013, for depreciation purposes, from 1st April 2014.

Depreciation on tangible fixed assets is provided on the written down value method, based on life of assets and in the manner specified in Schedule II to the Companies Act, 2013 and individual assets acquired for a value less than (or) equal to Rs.5,000/- are not capitalized.

The useful lives of assets and the manner specified in Schedule II to the Companies Act, 2013 is as per the table below:

Asset Description	No. of Years
Computers and Accessories	3
Plant & Machinery	15
Furniture & Fixtures	10
Office Equipment	5
Tools	5
Leasehold Improvements	3

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

**6. Impairment of Assets:**

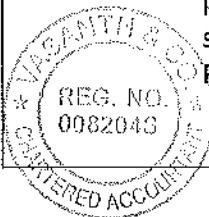

The Company assess at each Balance Sheet date whether there is any indication that any of the assets may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an Impairment loss and is recognized in the profit and loss account. As on the Balance Sheet date the Company assessed for impairment of assets and found no indication of impairment of assets as per Accounting Standard (AS-28).

**7. Effects of changes in Foreign Exchange rates:**

- a. Foreign currency transactions of Income and Expense during the year are recorded at the rate prevailing on the date of transaction.
- b. Foreign-currency denominated monetary assets and liabilities are translated at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in the Profit and Loss account.
- c. Exchange differences arising on the settlement of monetary items or on reporting monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise except those arising from investments in non-integral operations.

**8. Leases:**

Assets acquired under finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to the ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payment at the inception of the lease term. These are disclosed as leased assets. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

**9. Cash and cash equivalents:**

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**10. Income Taxes:**

Income taxes are accrued in the same period that the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

Minimum alternate tax (MAT) paid in accordance with tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability. The Company offsets, on a year-on-year basis, the current tax assets and liabilities where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount of timing difference. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on enacted or substantively enacted regulations. Deferred tax assets in situation where unabsorbed depreciation and carry forward business loss exists, are recognized only if there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets, other than in situation of unabsorbed depreciation and carry forward business loss, are recognized only if there is reasonable certainty that they will be realized. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each reporting date.

**11. Employee Benefits:**

**a. Defined –contribution plans**

These are plans in which the company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contribution to the Employees' Provident Fund, Superannuation Fund and Certain State plans like Employees' State Insurance and Employees' Pension Scheme. Presently the company provides for Employees' Provident Fund, Pension Scheme and Employees' State Insurance. The company does not provide for Superannuation benefits. The company's payments to the defined contribution plans recognized as expense during the period in which the employees perform the services that the payment covers.

b. Defined-benefit plans:

Gratuity: In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (Gratuity Plan) covering certain categories of employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company. A provision has been created by the company against the future liability.

**12. Borrowing costs:**

Borrowing costs that are attributable to the acquisition, construction or productivity of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

**13. Valuation of Inventories:**

Cost of inventories have been computed to include all costs of purchases, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. "Cost" means standard weighted average cost exclusive of all statutory levies but inclusive of transit insurance, wherever applicable.

- a. Raw materials and component inventories (excluding non-standard, non-moving and obsolete items) are valued at lower of cost and net realizable value.
- b. Finished goods and Semi-Finished goods are valued at cost or net realizable value, whichever is lower.

**14. Related Party Disclosures:**

Transactions between related parties are disclosed as per Accounting Standard 18, "Related Party Disclosures". Accordingly disclosures regarding the name of the transacting related party, description of the relationship between the parties, nature of transactions and the amount outstanding as at the end of the accounting year, are made.

**15. Product Warranty:**

Provisions for warranty-related costs are recognized on estimated basis when the product is sold or service provided to the customer. Initial recognition is based on historical experience of the product / services failures as well as current information of repair costs. The initial estimate of warranty-related costs is revised annually.

Product warranty expenses are provided on an estimated basis. The management estimate of the provision amount is primarily based on historical experience of the product/service failures as well as current information of repair costs.

**16. Earnings Per Share:**

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**17. Estimation uncertainty relating to the global health pandemic on COVID-19**
